

Schedule Cash Crop Conference Middelfart, Copenhagen, DENMARK June 12-17, 2011

Sun, June 12	Arrival day	Speaker
until 16:00	Arrival conference participants	
16:00 - 18:00	Training Session:	Y. Zimmer, T. Möllmanr
	Using the agri benchmark result data base	Z. von Davier
19:00	Welcome reception (Hindsgavl Slot, Middelfart)	
Mon, June 13	agri benchmark - Key result session	
09:00 - 09:30	Conference opening	
09:30 - 10:30	Key results	
	1. Land cost and land profitability - where are investments	Yelto Zimmer
	and land prices heading to?	
	2. Labor cost: Impact of wage rates and return to labor	Zazie von Davier
10:30 - 11:00	Coffee break	
11:00 - 12:30	3. Key results: The future of starchy crops: corn vs. wheat	Yelto Zimmer
	Lunch	Thomas de Mitte
13:30 - 15:00	4. Rapeseed for biodiesel: strategic issues in sourcing	Thomas de Witte
15:00 - 15:30 15:30 - 17:00	Coffee break New countries presentation	
13.30 - 17.00	Morocco	Mohamed Boughlala
	Lithuania	Linas Stabingis
	Lithuania Japan	Linas Stabingis Hisako Sekine
19:00	Lithuania Japan Dinner	
19:00	Japan	
19:00 Tue, June 14	Japan Dinner	
Tue, June 14	Japan Dinner Insight agri benchmark & Workshops	
	Japan Dinner Insight agri benchmark & Workshops agri benchmark: Developments 2011	Hisako Sekine
Tue, June 14	Japan Dinner Insight agri benchmark & Workshops agri benchmark: Developments 2011 Cost of production - Why? How to benefit from agri benchmark data	Hisako Sekine Tanja Möllmann
Tue, June 14 09:00 - 10:30	Japan Dinner Insight agri benchmark & Workshops agri benchmark: Developments 2011 Cost of production - Why? How to benefit from agri benchmark data Outlook-Project	Hisako Sekine
Tue, June 14 09:00 - 10:30 10:30 - 11:00	Japan Dinner Insight agri benchmark & Workshops agri benchmark: Developments 2011 Cost of production - Why? How to benefit from agri benchmark data Outlook-Project Coffee break	Hisako Sekine Tanja Möllmann
Tue, June 14 09:00 - 10:30	Japan Dinner Insight agri benchmark & Workshops agri benchmark: Developments 2011 Cost of production - Why? How to benefit from agri benchmark data Outlook-Project Coffee break Parallel sessions (Workshops)	Hisako Sekine Tanja Möllmann Yelto Zimmer
Tue, June 14 09:00 - 10:30 10:30 - 11:00	Japan Dinner Insight agri benchmark & Workshops agri benchmark: Developments 2011 Cost of production - Why? How to benefit from agri benchmark data Outlook-Project Coffee break Parallel sessions (Workshops) a) Small holders - Market integration and home consumption	Hisako Sekine Tanja Möllmann Yelto Zimmer Zazie von Davier
Tue, June 14 09:00 - 10:30 10:30 - 11:00 11:00 - 13:00	Japan Dinner Insight agri benchmark & Workshops agri benchmark: Developments 2011 Cost of production - Why? How to benefit from agri benchmark data Outlook-Project Coffee break Parallel sessions (Workshops) a) Small holders - Market integration and home consumption b) Perspectives in global wheat production	Hisako Sekine Tanja Möllmann Yelto Zimmer
Tue, June 14 09:00 - 10:30 10:30 - 11:00 11:00 - 13:00 13:00 - 14:00	Japan Dinner Insight agri benchmark & Workshops agri benchmark: Developments 2011 Cost of production - Why? How to benefit from agri benchmark data Outlook-Project Coffee break Parallel sessions (Workshops) a) Small holders - Market integration and home consumption b) Perspectives in global wheat production Lunch	Hisako Sekine Tanja Möllmann Yelto Zimmer Zazie von Davier
Tue, June 14 09:00 - 10:30 10:30 - 11:00 11:00 - 13:00	Japan Dinner Insight agri benchmark & Workshops agri benchmark: Developments 2011 Cost of production - Why? How to benefit from agri benchmark data Outlook-Project Coffee break Parallel sessions (Workshops) a) Small holders - Market integration and home consumption b) Perspectives in global wheat production Lunch Parallel sessions (Workshops)	Hisako Sekine Tanja Möllmann Yelto Zimmer Zazie von Davier Bernhard Bauer
Tue, June 14 09:00 - 10:30 10:30 - 11:00 11:00 - 13:00 13:00 - 14:00	Japan Dinner Insight agri benchmark & Workshops agri benchmark: Developments 2011 Cost of production - Why? How to benefit from agri benchmark data Outlook-Project Coffee break Parallel sessions (Workshops) a) Small holders - Market integration and home consumption b) Perspectives in global wheat production Lunch Parallel sessions (Workshops) a) Extensive production systems on low yielding sites:	Hisako Sekine Tanja Möllmann Yelto Zimmer Zazie von Davier
Tue, June 14 09:00 - 10:30 10:30 - 11:00 11:00 - 13:00 13:00 - 14:00	Japan Dinner Insight agri benchmark & Workshops agri benchmark: Developments 2011 Cost of production - Why? How to benefit from agri benchmark data Outlook-Project Coffee break Parallel sessions (Workshops) a) Small holders - Market integration and home consumption b) Perspectives in global wheat production Lunch Parallel sessions (Workshops) a) Extensive production systems on low yielding sites: What can Europeans learn from overseas growers?	Hisako Sekine Tanja Möllmann Yelto Zimmer Zazie von Davier Bernhard Bauer
Tue, June 14 09:00 - 10:30 10:30 - 11:00 11:00 - 13:00 13:00 - 14:00 14:00 - 16:00	Japan Dinner Insight agri benchmark & Workshops agri benchmark: Developments 2011 Cost of production - Why? How to benefit from agri benchmark data Outlook-Project Coffee break Parallel sessions (Workshops) a) Small holders - Market integration and home consumption b) Perspectives in global wheat production Lunch Parallel sessions (Workshops) a) Extensive production systems on low yielding sites:	Hisako Sekine Tanja Möllmann Yelto Zimmer Zazie von Davier Bernhard Bauer Janina Krug
Tue, June 14 09:00 - 10:30 10:30 - 11:00 11:00 - 13:00 13:00 - 14:00 14:00 - 16:00	Japan Dinner Insight agri benchmark & Workshops agri benchmark: Developments 2011 Cost of production - Why? How to benefit from agri benchmark data Outlook-Project Coffee break Parallel sessions (Workshops) a) Small holders - Market integration and home consumption b) Perspectives in global wheat production Lunch Parallel sessions (Workshops) a) Extensive production systems on low yielding sites: What can Europeans learn from overseas growers? b) Perspectives for European sugar beet production	Hisako Sekine Tanja Möllmann Yelto Zimmer Zazie von Davier Bernhard Bauer Janina Krug
Tue, June 14 09:00 - 10:30 10:30 - 11:00 11:00 - 13:00 13:00 - 14:00 14:00 - 16:00	Japan Dinner Insight agri benchmark & Workshops agri benchmark: Developments 2011 Cost of production - Why? How to benefit from agri benchmark data Outlook-Project Coffee break Parallel sessions (Workshops) a) Small holders - Market integration and home consumption b) Perspectives in global wheat production Lunch Parallel sessions (Workshops) a) Extensive production systems on low yielding sites: What can Europeans learn from overseas growers? b) Perspectives for European sugar beet production Coffee break Bioenergie	Hisako Sekine Tanja Möllmann Yelto Zimmer Zazie von Davier Bernhard Bauer Janina Krug
Tue, June 14 09:00 - 10:30 10:30 - 11:00 11:00 - 13:00 13:00 - 14:00 14:00 - 16:00	Japan Dinner Insight agri benchmark & Workshops agri benchmark: Developments 2011 Cost of production - Why? Wed, June 15	Danish Agriculture & Farm Tour	
09:00 - 09:45	Danish Agriculture - Current status and structural changes	Ole Maagaard Pedersen
09:45 - 10:30	Crop production in a intensive livestock environment	Michael Stensgaard Toft
10:30 - 11:00	Coffee break	
11:00 - 11:45	Entrepreneurial behavior and cooperatives: The Danish experience	Henning Otte Hansen
11:45 - 12:30	Environment and arable farming - a comparison of regulations	Christina Hage
	in Denmark and selected other countries	
12:30 - 13:30	Lunch	
13:30 - 18:00	Farm-Tour	
	1) Soren Bronde, Margaard, Middelfart Pig production (closed system) 600 sows; annnual production of 19.000 piglets and 17.500 slaughter pigs 530 ha: rapeseed, winter wheat, barley, oats	
	2) Egeskov Land- og Skovbrug - Egeskov farm and forestry	
	840 ha fields (wheat, rapeseed, grass seed), 235 ha forestry	
40.00	Experiency economy: castle, park and museum (main tourist attraction)	D : D .
19:00	Dinner at Jomfru Rigborg	Peter Borreby
Thur, June 16	Summing up and Outlook	
08:00 - 10:00	Summing up: Key findings from the result session and the workshops	Yelto Zimmer
	Outlook: Cash Crop Report 2011; Conference 2012	Tanja Möllmann
10:00	Departure and travel to Copenhagen	
	On the way to Copenhagen:	
	Stop at Bramstrup field trial areas www.bramstrup.dk	
	GLOBAL FORUM ON CROP PRODUCTION	
15:00 - 19:00	GLOBAL FORUM ON CROP PRODUCTION in Copenhagen	
	The agri benchmark network: People, concepts, results	
	Venue: Bruun & Hjejle, Nørregade 21, 1165 Copenhagen K	
20:00	Dinner at TIVOLI	
	Best Western Hebron Hotel in Copenhagen	
Fri, June 17	Post-Conference Farm Tour	
08:30	Departure at Hotel Hebron Copenhagen	
09:00 - 11:00	Carlsberg Brewery (research station)	
11:45 - 13:15	Koge Biopellet Factory producting 130.00t straw pellets and 180.000t wood pellets per year	
14:00 - 15:30	Adamshoj farm: 17.000ha (sugar beets, rapeseed, wheat, barley, cocksfoot)	
16:30	Arrival at Hotel Hebron, Copenhagen
